### Art

Draw with Rob - there is a website and videos on you tube, children enjoy drawing alongside the videos and can pause as you go, this is something you could perhaps do together. We have done this in class and is very popular!

## PE

Joe Wicks - Joe is back doing his live family exercise workouts every day on YouTube.

Cosmic Yoga - a great way for children to exercise and is very calming for children also. There is different videos you can choose from on YouTube, we have done some in class that the children have thoroughly enjoyed.

Jungle Exercise for kids - with Miss Linky on YouTube, it gets children moving and has links to counting and the alphabet.
